§11–512.

or

An applicant may request a consolidated hearing:

- (1) if the applicant requires at least 2 development permits from State units; and
 - (2) if:
 - (i) the applicant does not require a local development permit;
 - (ii) all required local development permits have been issued;
- (iii) a required local development permit cannot be issued until 1 or more State development permits have been issued.
